Telephone Firm Proposes 3 Types Of Rate Slashes

Southwestern Bell Telephone Co. yesterday filed proposals with the Illinois Commerce Commission in Springfield for rate reductions totaling \$83,600 annually to 86,000 Illinois customers.

ICC Chairman James Karber said the changes were negotiated under the commission policy of continuing surveillance of utility operation, and will bring to \$288,000 the total amount of savings to Illinois customers which Southwestern Bell has placed into effect during the past year.

Three proposals were included in yesterday's filing.

One calls for a reduction of from five to 20 cents in intrastate long-distance calls of 37 to 100 miles, which would make these rates uniform with those announced by Illinois Bell Telephone Co. last week, as well as the rates of other telephone companies in the state. This reduction by Southwestern Bell would save Illinois customers \$57,000 per year.

Wide Area Service

A second proposal would reduce rates to business customers using Wide Area Telephone Service (WATS). Under this type of service, customers are assigned outgoing lines over which they place long-distance calls to any point in Illinois on a flat charge basis.

Southwestern Bell flat rate service would be reduced from \$600 to \$575 per month, while message rate — for 15 hours of usage — would be lowered from \$225 to \$210 a month. This would effect a total annual reduction of \$1800.

The company also proposed to institute a new business service called "Inward WATS". Under this type a subscriber would be provided with incoming lines, over which his customers in Illinois could call him at no charge to themselves. Rates for the new service would be the same as those for outward WATS.

Apartment Pre-Wiring

A third change effecting reductions provides for the pre-wiring of multi-unit apartment buildings without charge. For individual homes, the charges to grow three telephone outlets would be reduced from \$17.50 to \$8, producing a total saving of

MORE ABOUT Committeeman

Jentine had filed his candidacy from an improper address.

Party Will be Loser

"The Democratic party will be the loser from such tactics as these," the mayor added, "not the officials of the city of Madison."

The mayor said that all five of the persons who complained to him about receiving the notices to appear in Edwardsville were persons who had no way to get to the hearings. "I plan to take them over personally and see they get a square deal," the mayor remarked.

Miss Hotz said Wednesday that she had received 10 to 15 calls from persons protesting the challenge action, all of whom told her they had been long time residents and could substantiate their residency.

As county clerk Miss Hotz is in full charge of Madison county's registration and election machinery. She said she had no recourse other than to conduct a hearing to determine the truth or falseness of the challenges filed by the three committeemen.

She set the hearing on advice of State's Attorney Joseph Barakat after the challenges were filed by Chomko, Ballentine and Mangiaracino. The Friday hearing is to be at 1:30 p.m. in Miss

\$5000 a year to customers.

Other principal changes made within the past year produced the following annual reductions: changes in intrastate toll, right rated to apply after 8 p.m. rather than 9 p.m. and all day Sunday and holidays, \$90,500; introduction of suburban four-party service in urban areas, \$15,500; elimination and reduction of excessive mileage charges by extending base rates areas in Granite City, East St. Louis, Belleville, MacClure, Edgemont and O'Fallon, a total of \$73,850; reduction of non-recurring charges for color telephones from \$10 to \$4 and "princess" sets from \$10 to \$5, total of \$47,700; and reduction in monthly charge for "princess" sets from 75 cents to 50 cents, a total of \$15,000.

Illinois communities served by Southwestern Bell are the Quad Cities, East St. Louis, Belleville, Lebanon, Edgemont, O'Fallon, New Athens, Freeburg and McClure.

Hotz's office, but may be recessed to another office in the courthouse.

Ballentine, Chomko and Mangiaracino spearhead opposition to the Madison-Venice organization in the committeeman race. Both Democratic and Republican committeemen for each precinct are elected in the primary election which will be held June 14.

Seven Contests

A total of seven contests in Venice township's 11 precincts have developed. These are in Precincts 1, 2, 3, 4, 6, 9 and 11. In most instances the alignment of candidates is clearcut. Ballentine, in Precinct Six, is opposing John Brickick, 4074 Madison avenue, an affiliate of the Democratic organization. Mangiaracino, who lives at 1004 Third street, Venice, is opposing Walter T. "Buck" Simmons, 1028 Third street, Venice, who is chairman of the Democratic County Central Committee and one of the organization leaders.

In Precinct Two, Jay D. Maurer, 833 Washington street, Venice, superintendent of the Venice street department and a township assistant supervisor, is opposed by Charles E. Smith Jr., 618 Jefferson street, Venice.

There is a contest in Precinct Three between Cleveland Lee Johnson, 201 Western road, Madison, and Joe W. Roberts, 217 Hill street, although there is no indication of alignment of either with the Democratic organization. Andrew Watts, 521 Mercedia street, Madison, incumbent, is opposed in Precinct Four by Bonker Washington, 1111 College street, Madison.

Chomko, 925 Reynolds street, Madison, is incumbent committeeman, but broke several years ago with the organization. He is opposed in Precinct Eight by Steve "Butch" Bucherich, who reportedly is aligned with the Venice-Madison group. Bucherich lives at 1603 Elizabeth street, Madison.

In Precinct 11, the contest is between Tyrone Echols, 163 Viola Jones homes, and James M. Riddle, 417 Weaver street, Venice, who is said to be aligned with the Democratic organization. Precincts in which there is no opposition are Precinct Five, John Haynes, 301 West Second street, Madison, incumbent; Precinct Seven, Hilbert C. Hoekstra, 1700 Second street, Madison, incumbent; Precinct Nine, Christ Costoff, 1225 Madison avenue, McClure, incumbent; and Precinct Ten, Russell K. Richardson, 2630 Missouri avenue.

Madison Council OK's Appointments Of City Officials

Annual appointments by Mayor Stephen Maeras were approved by the Madison city council at a meeting Tuesday night.

They are: John Gitchco, corporation counsel; Nick Vassileff, city attorney; Emmet Pavia, chief of police; Stanley Lucas, superintendent of streets and alleys; Mike Krieschok, health officer; Christ Pashoff, assistant health officer; Clayton T. Newton, plumbing and sewer inspector; Harry R. Johnson, civil defense director.

Steve Kaman, building inspector; Moll Blum, Rones & Co., CPA, city and bridge auditors; E. J. Miller, controller; Joseph Scrum, custodian; Jerry S. Maeras, the mayor's son, bridge superintendent; Frank Dulko, humane officer; Pete Skundrich, assistant building inspector; Edward Golan, civilian clerk for the police department.

"Law enforcement today is being degraded purposely in many instances by the widespread and indiscriminate use of the term 'police brutality,'" John Edgar Hoover, director of the FBI said yesterday in a message received by local law enforcement officials.

"This practice is called a guilt-by-language process by some individuals. They may be right. For example, the word 'juvenile' has been associated with 'delinquency' so often and so long that now, when used alone, it has a disagreeable connotation to much of the public," Hoover said.

"Police brutality" conjures up visions of bulging necks, of officers' lifting limp demonstrators who block busy thoroughfares, in references to oral abuses by policemen who disperse potential troublemakers, in depicting efforts by officers to halt violations of the law, and in describing any number of other

the choice is not, his to make; he HAS to use force or be maimed or killed and have the rights of all the people trampled by those who have no respect for law or due process.

"Even then, his best efforts often are not enough," as evidenced by the appalling number of officers assaulted and killed each year," the FBI director stressed.

"Policemen have the same basic rights as others. There is no reason why they should be singled out for ridicule by invalid blanket accusations. The public, the press and law enforcement itself should launch a concerted drive to stop the semantic indictment of police."

"Allegations and incidents should be reported and described in realistic, impartial and truthful terms. If an officer is assaulted while making an arrest and uses undue force to subdue the person, then call it 'undue force.'"

"If an officer uses profane language to a citizen, then describe it as profane language. 'If an officer is thought to be biased or prejudiced in his treatment of groups or individuals, then the complaint should be made. But the constant cry of 'police brutality' as a catch phrase, exploited and used in camouflage for illegal conduct, is dead wrong."

"It is a stigmatization of police by rote."

Eagle Park Residents To Meet Saturday

A community-wide meeting for residents of Eagle Park Acres will be held at 8 p.m. Saturday, at the Harrison Center, Cleveland Johnson, president of the Improvement Association, said today.

Johnson said, "The community together will provide an opportunity to air numerous problems connected with area growth and slum issues which may be factors in the coming election."

Notorist Drops Cigarette, Car Hits Street Sign

A street sign at Brown and Olive streets in Venice was knocked down at 4:35 p.m. Wednesday by a car driven by Donald E. Marquis, 19, of 1330 Oriole street, Venice. Police said Marquis' car was damaged.

Marquis told officers he dropped a cigarette and as he reached for it lost control of the car.

Parked Car Struck

A car owned by Esquelet Torrey, 2724 Dale avenue, was struck and damaged at 4:40 p.m. Wednesday while parked in the driveway of 1809 block of Market street in the Tramel car owned by Bures J. Tramel, 1114 Grand avenue. The Tramel car was damaged in the right front.

Village Budget Up \$2198-- Totals \$7621

Pontoon Beach village board of trustees adopted a 1966 annual budget and appropriation ordinance for 1966-67, an increase of \$2198 over the previous 12-month budget. The action was taken at a meeting Tuesday evening.

The increase includes \$1275 for sewer expenses, a new item in this year's budget, and an additional \$923 in general expenses, most allotted to improve police services in the village area. The sewer fund is for operation of a sewer system and lagoon in an subdivision of the village.

A cash balance of \$1777 on May 1, start of the current fiscal year, was reported, with an estimated \$227 in total cash receipts anticipated from all sources through April 30, 1967.

An earlier proposal that regular fees for village officials be sought this year was not included in the new budget. Village President Thomas Staicoff told the Press-Record as a result of a general discussion by trustees, the board agreed to pay physical fees to village officers, including a \$150 annual expense item for Building Inspector Clarence Hudgens, contained in the budget last year.

Staicoff added that Hudgens had been consulted regarding elimination of the expense item and was in full accord with the trustees' action. At an earlier meeting, Hudgens was proposed for the job as maintenance man at the lagoon sewer system in the Quiet Valley subdivision, which was turned over to the village last month. It serves only the subdivision.

The sanitary sewer system and lagoon, valued at \$73,000, were built by Cooper Homes, Inc. (Dale Development Co.) Village officials accepted the sewer system, free of building costs, and agreed to maintain it and pay taxes on the lagoon site.

The lease cost will be \$25 a month when the system begins serving 40 homes in the Quiet Valley subdivision. Currently, 20 homes are connected on the lines and the first development calls for 39 homes. Eventually, 170 homes are planned for the subdivision, located east of Route 111. The system is designed for 190 houses.

The village will collect a monthly sewer rental fee of \$2.50 for each user of the sewer system. Village Clerk Edward Phelps said to administer the sewage fund through a special account set up at the First Granite City National Bank. Phelps will be responsible for sending out the monthly bills which are to be paid at his home.

Budget Comparison
Comparison with the 1965-66 budget follows:
Administration—bond for president, \$15, same; bond for clerk, \$15, same; bond for treasurer, \$25, same; bond for police marshal, \$12, up \$1.50; bonds for policemen, \$60, up \$7.50; bond for humane officer, \$11, up 50 cents; attorney's expenses, \$350, same; stationery, \$50, down \$25; office supplies, \$150, same; postage, \$25, up \$15; clerk's expenses, \$150, down \$10.

Mrs. Herbst to Head Jayceettes

The Jayceettes club held its May meeting Tuesday evening at the Lewis and Clark restaurant in East Alton, with new officers elected.

The dinner meeting was conducted by Mrs. Betty Lake, president, and reports were given by Mrs. Kathy Jeffries.

Mrs. Lake welcomed as new members Mesdames Pauline Presley, Dolores Siebert, Jo Ann Brewer, Marge Pennell, Judy Eaton and Beverly Sponteman.

In the election, Mrs. Sally Herbst was chosen as president, Mrs. Kathy Jeffries vice-president, Mrs. Sandy Peterson recording secretary, Mrs. Donna Wetherhold corresponding secretary and Mrs. Sharon Ritchie, treasurer.

The Jayceettes homecoming was the main topic of discussion. It will be held June 17, 18 and 19.

Mrs. Peterson, chairman of the parade, submitted her report on plans for a Jayceettes float.

Mrs. Ritchie, chairman of the stands, reported on activities planned for the homecoming grounds. Mrs. Ritchie will serve in the immunization clinic at St. Elizabeth Hospital Saturday as a representative of the club.

The club voted to send a retarded child to day camp for two weeks at Monticello College as a joint effort with the Easter Seal organization and as the club's summer charity project.

Mrs. Lake announced a meeting June 9 on the Jayceettes Sports Jambores to be held here. Attending were the newly-elected officers, new members and others named and Mesdames Jeannette Holder, Betty Young, Jo Ann Miles, Joyce Hogan, Jo Ann McPherson, Marie Dettzner, Marilyn Daine, Mary Watkins and Diane Warnhoff.

The next monthly meeting will be June 26, when Mrs. Herbst will serve as hostess.

Plans were made for entertainment by the Gospel Singers from two units. At 7 o'clock: a pot luck luncheon June 15 and a social meeting June 22.

HOPE CIRCLE ENDS SEASON

Hope Circle of Niedringhaus Memorial Methodist held the final meeting of the season Wednesday at the church.

Mrs. Winifred Reimers, chairman, who was in charge, opened the meeting with a hymn and gave the Scripture lesson and devotionals. During the service, an article by John E. Roberts was read. Mrs. Gene Cundiff gave the lesson on "When the Good Die Young," by Vance Hayner.

After the program, a back-to-back shower was held for a member, Mrs. C. A. Uzzell, who is leaving next week to make her home in Santa Barbara, Calif. Refreshments were served to 12 members by the hostess, Mrs. Paul Pedhaz.

FORMER RESIDENT IS ENGAGED

The engagement of Miss Carol Jeanne Meseberg and Stephen Michael Henke Jr. is being announced by the parents of the bride-elect, Mr. and Mrs. Royal G. Meseberg of Austin, Tex. The wedding will take place Aug. 20 at Our Redeemer Lutheran Church in Dallas, Texas.

The prospective bridegroom is a son of Mr. and Mrs. Stephen M. Henke sr., former Granite Citizens now residing near Edwardsville. He was graduated from the Edwardsville high school and attended Concordia College in Austin. He is presently a senior at Concordia Teachers College in River Forest, Ill. His fiancée attended Concordia College in Austin.

MEETING POSTPONED

The meetings of the Woman's Christian Temperance Union which was to have been held to-morrow evening has been postponed until June 10. It will take place in the home of Mrs. Byrl Kent, 2601 Hodges avenue.

RECENT BRIDE. Mrs. Lloyd Allen, the former Nancy Penrod, a daughter of Mr. and Mrs. John W. Penrod, 2172 Bern avenue, who was married at Trinity Methodist Church by Rev. Harold Dillier of Lancaster, Pa., who has been stationed in the United States since released from service.

STAFF HONORS MISS DRAPER, FOUR OTHERS ON RETIREMENT

Five of the staff of Webster school were honored last night at a retirement party given by the school faculty at Augustine's in Belleville.

They are Miss Myrtle Draper,

the downstate fisherman

by pete brown

A summary of fishing prospects for the coming weekend looks like this:

LAKE GLENDALE — Hot for bluegill and small bass. Flyrod fishermen are catching excellent bluegill and the lake is relatively free of troublesome weeds that restricted fishing the last few years.

CRAB ORCHARD — Bass starting to hit Bombers. Good sized crappie are being taken but are in no overwhelming numbers. Lake is in good fishing condition.

LITTLE GRASSY — Fly and eel and black worms are getting the job done here. Top fish of the week: a 3 pound crappie on a string by Paul and Eula Barrett, Carbondale, which also included 15 averaging a pound and a half. H. H. Brown, East St. Louis, caught 64 large crappie and Lee Byrd, Mendota, boated 47.

DEVIL'S KITCHEN — Lake clear, water temperature 70-plus. Skip Cochran, East St. Louis, caught a 6 pounder and two others totaling 6 1/2. Tobe

Newbold, Herrin, amassed 50 bluegill and a 3 1/2 pound bass. Jack Blackwell, Vandalia, netted 21 bluegill averaging 1/2 pound. Plastic worms are working for bass.

LAKE OF EGYPT — Deep trolling Sonics are attracting fair numbers of bass. Crappie and bluegill fishing is good. Lake in fine shape.

HORSESHOE LAKE, Cairo, Ill. Regulars catching bluegill but once-a-month fishermen are finding them scarce. Tex Reynolds, Carbondale, picked up a 2 1/2 pound crappie that had been nicked by a propeller. Doyle Shipley, Olive Branch, caught three bass totaling 16 pounds.

LAKE MURPHYSBORO — Red-ear and bluegill returns are good; some small bass are showing up but no lunkers. Weeds have been impeding baitcasters. Best bet for plug fishermen would be a 50-pound test line. Otherwise fishing is picking up.

OHIO RIVER AND LUSK CREEK — Dam is down at Goltunda and fishing is not expected to pick up until pool levels are restored. Lusk yielded well under the water dropped. Farm pond fishing is reported excellent.

Baseball School For Boys Begins In Park Monday

An eight-week baseball school designed primarily for boys who did not land on team rosters — but open to all youthful baseball aspirants — will begin at 9 a.m. Monday at Diamond No. 8 in Wilson Park.

Boys aged 6-7-8 will be schooled on Mondays, Wednesdays and Fridays; those 9-11 on Tuesdays and Thursdays. Equipment is furnished and boys need only bring a glove. They may wear blue jeans and sneakers.

The only charge for the school, under the instruction of Warrior varsity graduates Larry Ripka and Fred Hoffman, is the \$1 insurance fee. This covers all programs in gymnastics, wrestling and tumbling.

Boys who live out of the park district area may also participate for the \$3 non-resident charge.

WASHINGTON COUNTY LAKE — Bluegill and channel cat fishing is reported good.

Post 113 Host to Glen Carbon Team

American Legion Post 113 will be host at 6 p.m., Sunday at Wilson Park to the Glen Carbon team.

Coach Al Richter and his assistant, Edwardville junior high coach William Funkhouser, are building a young team around Wood River hurler Jim DeWerrf and Al's son, Ed, a catcher and one of the leading Southwestern Conference hitters this year.

The Sunday game, initial league competition for the two Legion teams, will be on District 183. Ernie Roberts went 5-for-5 and Mark Palp homered for the winners.

Swimming Pools To Begin Regular Hours Saturday

Wilson Park's swimming pool, closed briefly after Memorial Day will reopen Saturday for the remainder of the summer. Hours are 1 p.m. to 9 p.m. Season passes, available for Granite City park district residents only, go on sale Saturday.

Fees at the pool are 35 cents for children of high school age and under, and 65 cents for adults. Season passes are \$7.50 for children of high school age and under, \$10 for adults and \$20 for families.

"Swimming classes will commence June 13. The hours are advanced, 9 to 9:45 a.m. and beginners, 9:45 to 10:30 a.m. and 10:30 to 11:45 a.m. Girls are taught each Monday, Wednesday and Friday; boys, Tuesday, Thursday and Saturday.

Hours at the Paddlers swim club, 2029 Johnson road, are 4 p.m. to 8 p.m. today and tomorrow. This weekend, the hours will be 1 to 9 p.m., and regular hours will start Monday on a 1 to 9 p.m. basis. Keith Parker is pool manager for the private club.

Mathews Fast Pitch Team Keeps Winning

Mathews Chevrolet pushed its undefeated record to 3-0 to complete the first round in the Fast Pitch Classic League Monday night at Wilson Park in a 4-1 win over the Merchants.

Homers by Rog Smith and Pat Harris and singles by Bob Stepien, Jack Scarborough, Pete Robinson, Russ Chappell and Ray Hoffman paced Mathews' scoring. Jim Rippey hit a homer for the Merchants only.

Trailriders Show Set For Sunday Afternoon

Linda Wardlaw, secretary for the Trailriders Saddle Club horse show and competition program at 1 p.m. Sunday at the new saddle club grounds on Rock road, has announced that there will be bleachers available for spectators this year.

Spectators also are being advised that tickets purchased for a postponed May 1 event will be good for admission this Sunday.

High Scoring in Quad-Cities Church League

Black Division leader Nameoki Methodist, now 2-4 in Quad-Cities Church League, sloppily softball, battered First Church of God 22-5 Tuesday night at Lake school.

In another high-scoring win, Blue Division pacer, St. John's Lutheran downed Madison Baptist 18-3. Ernie Roberts went 5-for-5 and Mark Palp homered for the winners.

One No-Hitter, Many Homers in Boys Games

Boys' baseball highlights at Wilson Park included a no-hitter in the Smoky Padgett Midget League by the Grant Cobras Roy Stack and a homer by teammate Eric Stuber.

Other homers at Wilson Park: Joe Loftus League — Bantam Blue — Jim Green and Greg Linhart, Orphans; Williams, Burger Chef. Babe Ruth League — Juveniles — Evans, Madison County Federal Savings & Loan.

Owen Friend — Bantam Red — Don Petroff, John Stegner, Granite City Optimists; Owen Friend — Bantam Blue — Costello, B. Schweisbro, Lybarger Materials; Whaley, Welford, Mathews Chevrolet Impalas; Pere Muhlili, St. Elizabeth; Doc Coleman — Juvenile — Brown, Sebold Concrete.

Mitchell boys' baseball: Atoms — Perry, Heartweck, Yankees; David Heft, Reds; Bantams — Dean Bauht, Giants.

Nameoki-Pontoon Little League: Minor — Dave Douglas, Danny Vanscoy, Joe Munners, Tigers; Major — John Jennings, Kozayak, Bobcats.

All-Star Game Ticket Orders Begin Friday

Tomorrow the St. Louis Cardinals will begin accepting mail orders for the 1966 all-star baseball game to be played in Busch Stadium Tuesday, July 12.

Tickets, available only by mail, are \$5 each, limited four to an individual. Priority will be given to applications postmarked June 3, with all orders honored on a postmark basis. The address is: All-Star Tickets, P.O. Box 8828, St. Louis, Mo. 63102.

Trailriders Show Set For Sunday Afternoon

Linda Wardlaw, secretary for the Trailriders Saddle Club horse show and competition program at 1 p.m. Sunday at the new saddle club grounds on Rock road, has announced that there will be bleachers available for spectators this year.

Spectators also are being advised that tickets purchased for a postponed May 1 event will be good for admission this Sunday.

Swim Meet Postponed

The Uniwhi Boy Scout district Invitational swimming meet, originally scheduled for this Saturday, has been postponed one week due to the Army Depot pool not being ready for use. The seven-event program will be held at 10 a.m. June 11.

91 Hits in 3 Class B Games

Hard-hitting turnabout performances highlighted Open Class B Slow Pitch action in Wilson Park last night.

The Eagles defeated Bellemore 7-4, and then lost 26-11 to the incentives, who had themselves just lost 17-8 to the Zips. There were 91 hits in the three games.

Kerry Ervan tripled and doubled in the Bellemore Tie. Dick Simpson doubled in the Eagles' first game and Bert Simpson collected a pair of two-baggers in the final contest, where Alan Emert homered and tripled.

Don James homered and doubled and John Bohmestehel hit two triples for the Zips. Ethan Allen, who tripled in the first inchbites game, singled and doubled in the other contest, where John Allen, going 5-for-5, singled, doubled twice, tripled and homered. Don Katenmeyer and Bob Vaughn also homered in the last incentives' tilt.

8-6 Tavern League Win

In a Tavern League makeup game last night, Keith's Lounge edged Club Delmar 8-6. Mike Schutte, Jim McKeehan and Dave Hill each had two hits for Keith's, now 1-1 for the season. Wilson was 3-for-4 at the plate for Club Delmar, now 0-2. Liberty Home took a forfeit from Ernie's & Annie's.

New Buses Eliminate Exhaust Smoke, Odors

Fifty new air-conditioned buses purchased for the Bi-State Transit System feature an engine designed to eliminate exhaust smoke almost entirely. It was from 9 to 11:30 a.m. and 1 to 3 p.m. on Monday, June 20 marking the financing of the purchase Tuesday in St. Louis.

The odor associated with diesel exhaust also is substantially reduced. The engine, put in production by General Motors Corp., last year, contains a higher compression ratio that burns the fuel more efficiently and controls will be in the University of Missouri, 802 West Pine Blvd.

A number of special institutes will be offered during the summer session. Enrollment for most of the one-week institutes will be June 13 from 8 to 10 a.m. in DuBourg Hall.

Nearly 400 Attend Emerson Picnic

Nearly 400 Emerson pupils and parents attended the annual PTA picnic Tuesday at Wilson Park. Games were played under the direction of room mothers and each child received a hot dog, ice cream and soda. Prizes were awarded to students in each grade.

The four-hour event was arranged by recently-installed Emerson PTA officers, Mrs. Linda Leggett, president; Mrs. Laura Boyd, vice-president; Mrs. Jane Ragan, secretary; and Joseph Robinson, treasurer.

Reckless Driving Charge

Donald M. Lowe, 1232 Edwardsville road, was arrested about 9 p.m. Wednesday in the 2300 block of Madison avenue on a reckless driving charge. He was summoned for a hearing by June 17.

Amsted Process to be Used by Mexican Firm

Amsted Industries today announced it has licensed Fundiciones de Hierro y Acero, S.A. (Fhasa), Mexico City, to use Amsted's controlled pressure pouring casting process to turn out steel wheels for the Mexican railroads.

Fhasa will build a 30,000 square foot addition to its existing Mexico City plant to house a pressure pouring production line. Its capacity will be about 25,000 wheels a year. Freight car, locomotive and passenger car wheels will be produced.

Under the agreement, Fhasa has the right to sell pressure poured railroad wheels in Central and South America. The Amsted process also is being used in Australia and the Republic of South Africa to produce steel wheels.

Big Changes in Role of County School Head Cited

Changing role of the county school superintendent's office was discussed by County Supt. Wilbur R. L. Trimpe before Madison Rotarians yesterday.

With fewer but larger districts, and bigger enrollments and buildings, the county superintendent no longer directly supervises instruction on textbook lists but has other challenging tasks, many of them new, the speaker related.

State consultations, administrator conferences and teacher workshops are being used to help bring new educational programs into Madison county, Trimpe said.

Recent activities were listed as including establishment and subsequent expansion of the county school psychologist staff, implementation of federal aid laws, and planning for junior colleges, special education, pupil safety in school buildings and economic opportunity projects.

In illustrating educational changes during the past decade, the county superintendent noted that many more districts now have divided their administrative duties and created such posts as assistant superintendent, business manager, curriculum supervisor, building director and transportation supervisor. Trimpe said his staff works with all of them and also encourages utilization of principals as educational leaders.

Large Franquills was program chairman. A guest of Mayor, Stephen Maeras was Robert Hulse, director of Madison's jubilee pageant June 29-July 3.

Summer Registration For St. Louis U.

Registration for the summer session at St. Louis University will get under way next Monday. Eight-week courses at the University will begin Tuesday, June 7. Six-week courses will begin June 21 and five-week sessions will start August 2.

Registration for the eight-week day courses will be Monday June 6 from 8:30 to 11:30 a.m., and students in the eight-week evening courses will register from 6 p.m. to 8 p.m. Registration will be in the Student Lounge of DuBourg Hall, 221 N. Grand Blvd.

Enrollment for the six-week session will be Friday, June 17 from 9 to 11:30 a.m. and 1 to 3 p.m. on Monday, June 20 from 8:30 a.m. to 1 p.m. Registration will be in the University gymnasium, 802 West Pine Blvd.

A number of special institutes will be offered during the summer session. Enrollment for most of the one-week institutes will be June 13 from 8 to 10 a.m. in DuBourg Hall.

Chamber Again Honors Depot's Top Soldiers

The Quad-Cities' role as "a home away from home" was praised by Granite City Army Depot personnel last night at the second annual Tri-Cities Chamber of Commerce dinner saluting Depot soldiers.

Carl E. Mathias, Chamber president, awarded the 1966 "Soldier of the Year" plaque to First Sgt. John D. Corder, sergeant major of the 593rd Engineer Group. The dinner was held at Sunset Hill Holiday Inn.

A soldier 19 years with Korean and European service, Sgt. Corder originally was from Colorado but plans to make his home

to the Po-Ke-No club in her home Tuesday for the last meeting of the club year. The meetings will resume in September, with Mrs. Marie Stawar as hostess.

Mrs. Veronica Kula was top winner of the day. Others playing were Mrs. Hazel Hinson, Mrs. Marie Stawar, Mrs. Nettie Grojewski, Mrs. Pat Gerkin, Mrs. Margaret Fecurka, Mrs. Hazel Swigert and the hostess. The members gathered at the home during the morning hours and played throughout the day, N. Y.; Jerry L. Conn, Dryden, Mich.; Theodore P. Cox, Champaign; Chester L. Davis, Cincinnati.

here. Married and the father of three daughters, he was honored for administrative and organizational skill, leadership, appearance, standards, fitness and dedication to assigned and voluntary duty.

Honorable Community

Brief talks were given by Sgt. Corder and by Col. Charles B. Schweizer, Depot commanding officer, who recalled the hospitality of this community when he commanded over 2000 soldiers here in 1944. People of 28 nationalities raised more than \$2000 to equip a service club, he noted.

Few communities hold such dinners as that of last night, Col. Schweizer said, commenting, "You of the military, they appreciate you."

Attending were 45 soldiers and an equal number of businessmen and industrial officials who were their hosts. J. W. Christy, chairman of the Chamber's military affairs committee, was toastmaster and introduced guests.

Equal Chance in Sports

Again this year, the principal speaker was Robert L. Burns, Globe-Democrat executive sports editor, who told sports anecdotes, answered numerous questions from the audience, and stressed the equality of opportunity offered in the sports field. Soldiers honored included: James E. Anker, Earlham, Ia.; Hazel Berry, Bay City, Mich.; Gary P. Braswell, Tulsa, Okla.; John M. Carnody, Great Neck, N. Y.; Jerry L. Conn, Dryden, Mich.; Theodore P. Cox, Champaign; Chester L. Davis, Cincinnati.

\$1000 Fine, Probation For Reckless Homicide

Joseph C. Thomas, 24, of 1701 Fifth street, Madison, was fined \$1000 plus \$20 costs and placed on probation for one year by Magistrate Mateosian on a reckless homicide charge.

The charge stemmed from the traffic death of Floyd Welch Jr., six-week-old son of Mr. and Mrs. Floyd Welch, 2001 East 20th street, who was thrown from his father's pickup truck in a collision with Thomas' auto on Feb. 28, 1965, at 23rd street and Madison avenue.

The probation includes withdrawal of driving and other privileges for a year. Judge Mateosian said the case could have been tried as a felony instead of a misdemeanor but the state's attorney's office made the decision.

Tax Collections to Start Monday in Nameoki Twp.

Collection of 1965 taxes starts Monday in Nameoki township, while in Venice township, Collector Frank Reidelberger Jr. said the total tax bill is \$2,500,007.

Granite City property owners have a total tax bill of \$6,438,526, according to Collector E. R. "Pat" Rich. In Chouteau township, the amount of taxes due is \$816,864.

Property owners in Granite City township will soon be receiving their 1965 tax bills with the collection to start June 13 at the city hall. In Chouteau township, the collection period is under way and will be transferred June 11 to the township relief office at Mitchell.

In Nameoki township, Collector Gene Rottger said tax payments this year are to total \$1,107,186.

The chairman had suggested the special session at last Thursday's adjourned meeting of the council, hopeful of an earlier start on the 1966-67 operating budget, which is to be built around a reduced tax income due to cuts in several city tax rates. The rate cuts were ruled by State's Atty. Bartylak under the Hodge-Butler tax limitation law.

Monday of this week, while a holiday, also was the fifth Monday of May—an off-night for the council. The first regular session for June will be next Monday.

"We should have the budget in its tentative form and in relatively good shape by that time," Rutledge said.

No Budget Meeting This Week for Council

Alderman Paul Rutledge, chairman of the Granite City council's Finance committee, said Tuesday afternoon that the special meeting of the council planned for this week to take a first look at the city's new budget will not be called.

Rutledge said he made several telephone calls to the aldermen and learned that several would either be out of town or working nights.

The chairman had suggested the special session at last Thursday's adjourned meeting of the council, hopeful of an earlier start on the 1966-67 operating budget, which is to be built around a reduced tax income due to cuts in several city tax rates. LUTHERAN CONVENTION manual has been completed by Hope Lutheran Church, whose pastor, Rev. Alfred Buis, will conduct the June 12-15 sessions at Chester, Ill. Rev. Walter Symank, pastor of Zion Lutheran Church, Mascoutah, Ill., receives the first copy from Mrs. Harry Peters, secretary at the local church.

90 Days in County Jail

Frank Stark, 2602 Kirkpatrick Homes, was sentenced to 90 days in the county jail on a charge of criminal damage to property. The complaint was filed May 12 by Robert O. Turney. Charges of intoxication and disorderly conduct were dismissed.

No License Charge Filed

Walter Creek, 24, of 1357 Edwardsville road, was charged with driving without a license at 3:45 p.m. Tuesday at 20th street and Madison avenue. He was released on his own recognizance pending a hearing.

Fined \$120 on 2 Counts

Dewey Caraway, 2318a Lincoln avenue, was fined \$100 and costs on a charge of resisting arrest and \$20 and costs on a disorderly conduct charge Tuesday by Magistrate Mateosian. The charges were filed May 16 by Granite City police.

Rev. Buis to Preside At District Convention

The convention business manual for the 38th convention of the Lutheran Church—Missouri Synod Southern Illinois District has been completed by Mrs. Harry Peters, secretary at Hope Lutheran Church, Granite City. The convention will be held at St. John's Lutheran Church, Chester, June 12-15.

The meeting will be attended by pastors, parochial school teachers and lay delegates from the 103 congregations of the Synod in Southern Illinois. Rev. Alfred Buis, pastor of Hope Lutheran Church and president of the Southern Illinois District, will preside.

The convention manual, contains the agenda, reports of official boards and committees, and resolutions in all areas of work, such as Christian education, social action, youth work and mission expansion. Manuals are sent to the appointed delegates three weeks before the beginning of the convention to give delegates time to study the proposals before them.

The convention will begin Sunday, June 12, at 3:30 p.m. with a service of Holy Communion at St. John's Church, Chester, and Rev. George Wittmer, D.D., a vice-president of the Missouri Synod, will be preacher.

Social Event Planned

At Local YMCA Sunday
The East Side Chapter of Parents Without Partners, Inc., will hold a social evening at the local YMCA starting at eight o'clock Sunday. It was announced today by Britton Knight, chapter president. Quad-City area parents without partners are invited to attend the function and meet club members from surrounding communities, the officer said. A 50-cent charge will be made for each person to cover refreshment costs.

Summer Youth Program To Start June 13 at 'Y'

Summer youth classes will begin at the YMCA on June 13, David Williams, youth director, announced. Registration will be accepted from 9 a.m. to 5 p.m. Monday through Saturday of next week, with the deadline set at June 18.

The "Y" again will present its array of swimming instruction classes for youth up to 14 years old. Seven levels of skill are offered, including paddler classes for children who have never learned to swim and others for the younger non-swimmer.

The top level offered is the purpose class—the program prior to a lifesaving course.

Physical classes will be offered in the gym, including trampolines, basketball and tumbling. Outdoor physical classes will be in softball, track and field and an outdoor life and cycle club.

Art, Culture Classes
Art and culture classes taught by Mrs. Bonnie Fuller, "Y" art and junior high director, will include art, handicraft, charm, junior theater and puppet club.

Among year-round classes with openings or waiting lists are acrobatics and gymnastics, square dance and the Y-Rangerettes all-girl drill team.

The Teen Town lobby will be open to junior high youths on Wednesdays for afternoon dancing, club meetings and the use of facilities. Various excursions

and activities for the clubs are planned.

Youth Lobby Hours
The youth lobby will be open from 9 a.m. to 5 p.m. Mondays through Fridays and until noon on Saturdays.

The summer youth staff includes Williams, Mrs. Faith Walker Smith, Cindy Settemore, Mrs. Fuller, Stanley Walker, Diane North and Mike Jesse.

Membership options are \$4.50 for a single summer activity, \$6.50 for multiple summer activities, \$8.50 for a single yearly activity and \$11 for multiple yearly activities.

Schedules are being mailed this week to 3500 persons, and others desiring one may obtain it from the youth department.

Laycock With Top-Rated Vietnam Missile Unit

William R. Laycock, a son of Mr. and Mrs. William J. Laycock, 2519 Sheridan avenue, is now with the Army in Vietnam and would like to hear from his friends. His address is William R. Laycock, U.S. 5803809, Hdc. Btry, 6th Mst. Bn., 71st Artillery, APO San Francisco, Calif., 96322.

He is serving with a Hawk missile battalion in the Cam Ranh Bay and Nha Trang areas. The Sixth has been rated highest of any battalion-sized missile unit serving in the Pacific by a team of U.S. Army Pacific operational readiness evaluation inspectors. Such inspections show capability of missile firing units to engage enemy aircraft within a specified time.

Each battery earned a superior rating. Commendations have been received from the 9th Artillery Group and from Lt. Gen. Jean E. Engler, deputy commanding general of the U.S. Army in Vietnam.

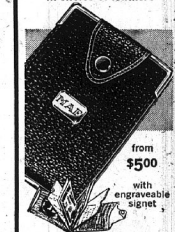

Divorce Granted Here

A divorce was granted Wednesday by Associate Judge Austin Lewis to Granite Citizens Joyce Carey from Eugene Carey, in the Granite City division of circuit court. The couple was married April 17, 1965, and separated the following Sept. 9. Cruelty was charged. Her maiden name of Joyce Sykes was restored.

Treated for Injuries

Erno Orgovan sr., 2036 Madison avenue, is undergoing treatment at St. Elizabeth Hospital for back and neck injuries believed to be associated with a two-car collision occurring April 30 on East 23rd street near Nimco road. He entered the hospital during the weekend.

Mitchell-St. Louis Bus Scheduling To Change Monday

A change in scheduling of the Alton-St. Louis bus line, which includes stops at Mitchell, Alton, and St. Louis, will start Monday, it was announced by B-St. Transit System.

The principal change involves a reduction of one run due to a drop in the number of riders during summer months.

The new daily schedule for buses enroute from Alton to St. Louis will include stops at Mitchell (Route 111 and Chain of Rocks road) at 9:02 and 10:42 a.m.; and 12:42 and 4:42 p.m., and departure from Niedringhaus and Madison avenues at 9:17 and 10:57 a.m. and 12:57 and 4:08 p.m.

From St. Louis to Alton the departures from Niedringhaus and Madison avenues will be 9:44 and 10:44 a.m. and 12:54 and 2:39 p.m. The stops at Mitchell will be at 9:19 and 10:59 a.m. and 1:19 and 2:34 p.m.

Granite City and Mitchell riders with St. Louis destinations during evening hours may use the trips leaving Mitchell at 5:40, 6:10 and 6:40 p.m. and leaving Niedringhaus and Madison avenues at 5:55, 6:25 and 6:55 p.m. front page.

Stamps' Trial Delay Refused by Judge

Another motion for a delay in the murder trial of four Menard Prison inmates, including John Stamps, 26, of Granite City, was denied this week at Springfield by Circuit Judge Cecil Douglas. The convicts are charged with killing three prison guards.

Stamps had requested a four-week delay to permit his family to raise funds to hire an attorney. Judge Douglas appointed the firm of Wiseman and Shalwitz of Alton to defend Stamps.

The convict was being represented by Irving Wiseman of the firm when the trial began in April. When Wiseman became ill and was hospitalized, Shalwitz replaced him and there was a protest by Stamps.

Selection of a jury is to be continued.

Jos. Gerling, 74, Dies

Funeral services for Joseph F. Gerling, 74, were held Tuesday afternoon at St. Paul Lutheran Church in Troy. Gerling, a veteran of World War I and II, was a retired maintenance man at the Granite City Army Depot. He died Saturday at a nursing home in Highland.

DAMOTTE RECEIVES ENGINEERING DEGREE

Emile "Skip" Damotte, son of Mr. and Mrs. Emile Damotte, 2301 Missouri avenue, graduated Sunday at the 93rd annual commencement exercises conducted at the University of Missouri at Rolla.

He received a bachelor of science degree in mechanical engineering, with a group that had attained and kept a grade average of 87.5 to 90. During the past semester, he was taken in as a member of the Phi Tau Sigma honor society and received his key.

Fifty-year alumni also were honored at this commencement, with one of the members a graduate of Damotte, Edward Victor Damotte, who now resides in Springfield, Ill. Another uncle, Earl S. Damotte, graduated there in 1931.

Attending the exercises from Granite City were Mr. and Mrs. Emile Damotte, John Hogan and Mr. and Mrs. Sam Frayley. Damotte and his wife, the former Betty Frayley, have a four-month-old daughter, Jackie Sue, who will move to Pekin, Ill., where he is employed at the Caterpillar Tractor Co.

HOPE LUTHERAN SCHOOL ENLISTMENT, SCHOOL

Hope Lutheran Church on Washburn avenue has announced that its Boy Scout Troop Six has an enlistment of new members in progress. A special night for parents and prospective scouts will be held Friday evening in the parish hall. Scoutmasters and troop members will present a program.

Enlistment in particular are being urged to participate and to become acquainted with the scout program.

The annual vacation Bible school is planned for June 20 through July 1 beginning at 1 p.m. Pre-registration is now being taken, and parents are urged to bring their child's paper with the name, age, address and grade in school. Such information may be given to the Sunday school teacher or left at the church office.

Mr. and Mrs. Ross Hogan and son, Robert, 2301 Wilshire drive, and Mr. and Mrs. Rex Hogan, 2140 Clark avenue, enjoyed a weekend fishing trip to Grafton.

ISABEL BEVIER UNIT OBSERVES BIRTHDAY. Members of the Isabel Bevier unit of the Madison County Homemakers' Extension Association

Theft at Coal Mine Leads to Arrest Here

Recent reported thefts of copper wire in the Quad-City area led to the arrest of a Granite City man on a warrant filed by Randolph county authorities this week.

Taken to Chester Tuesday afternoon to face theft charges was Herschel Hicks, 23, of 2223 (rear) Washington avenue, who first pleaded not guilty in magistrate's court here and was placed under \$5000 bail.

George Teller, chief of detectives, said his office had received information that Hicks had sold more than 500 pounds of scrap copper wire to a junk dealer. Hicks admitted selling the wire at 42 cents a pound for a total of \$231, Teller related, but said it was found in a ditch near Christopher, Ill.

Teller said a 5-foot, 9-inch length of cable 2 1/2 inches thick with the insulation burned off was found at Hicks' home and taken to the police station. Reports and a sketch of the cable were sent to state police and to the Perry county sheriff's office.

Later sheriff's officers from Perry and Randolph counties appeared here, along with R. L. from Chester.

11 Traineeships Available at EIU

The Speech Correction Department, Eastern Illinois University, Charleston, has been granted 11 traineeships, each worth \$300 plus tuition and fees.

The traineeships were authorized by the office of Ray Page, superintendent of public instruction, department of special education, and will be awarded on the basis of "scholarship, financial need and encouragement to study special education."

They will be given to junior and senior students whose major field is speech correction. Purpose of the program, according to Page, is to "increase the number of professional personnel to meet the demands of mandatory provisions for educational services to the handicapped."

Hayes, superintendent of the Southwest Coal Corp., Percy, who identified the cable as that missing from a coal strip mine operated by his firm. He said it was used on a large crane and usually carried 32,000 volts of power, but that the power is shut off on weekends.

Hicks was taken into custody after a warrant arrived here from Chester.

Area IRS Office will be Open Saturday Mornings

For the convenience of area Monday through Friday, can obtain assistance on Saturdays from 9 a.m. to 12:30 p.m. Taxpayers called for an office examination of their returns or to pay taxes that are due will be able to arrange for their interview to be held on Saturday or during normal working hours.

The telephone number to call or visit the IRS Office, 420 St. Louis avenue, during the hours of 8 a.m. to 4:45 p.m., is UPTON 5-1200.

Art Design Workshop To be Offered by U. of I.

A summer workshop course in Art E185, Design, will start Monday, June 13, at 9 a.m. at the Clark junior high school, 3310 State street, East St. Louis.

The class, an offering of the University of Illinois Division of University Extension, will meet daily, Mondays through Fridays, for a period of two weeks.

Further information may be obtained from the office of Fred W. Stuever, field representative, University of Illinois, 212 Goldman Bldg., 338 Missouri avenue, East St. Louis or telephone UPTON 5-2822.

Driver Fined \$50, Costs

Harold W. Ballantine, 2028 Washington avenue, has been fined \$50 plus \$5 costs in magistrate's court on a charge of leaving the scene of an accident. The charge was filed April 22 by Madison police.

Driving Charge Filed

Lowell L. Pearson Jr., 1433 Norwood drive, was arrested on a careless driving charge at 8:25 a.m. Wednesday at JHI avenue and Nameoki road. He was summoned for a hearing by June 24.

Pontoon Beach & Stallings Sends GC Building To \$740,645

Ninety-six building permits issued by Granite City during May totaled \$740,645 in value. The activity was greater than in April when 61 permits listed values of \$680,150. In May of last year, 86 permits showed values of \$6,567,860, but included was the \$6 million hot strip mill for Granite City Steel Co.

Last month's permits included 12 for new homes valued at \$303,250, including the new \$150,000 11-unit apartments; 14 for commercial purposes at \$373,502, including the new \$220,000 National Foods market and the \$75,000 Travelodge tourist homes, four for additions to homes at \$770, 17 for garages and carports at \$13,700; 38 for remodeling and repairs at \$24,361, and 10 for miscellaneous purposes at \$7632.

In addition, 11 permits were issued to raise structures at a cost of \$9100. Permits were obtained during the last part of the month by:

- Charles Bridges, for a five-room brick veneer home at 2913 Marshall avenue, \$8900; Cecil Simpson, 2831 Buxton avenue, five-room wood and siding home on an existing basement, \$8000; Paul Zupan, 1719 Garfield avenue, carport and screen porch, \$1800; Elmer Melton, 3235 Westchester drive, carport and storage shed, \$700.
- Roman Ortolan, 2807 Edwards street, patio roof, \$850; Malek Hagopian, move garage from East 27th street and Nankin road to 1651 Chestnut street, \$500; L. L. Blackwell, 2128 Illinois avenue, repair porch, \$1500; Clay Tech, 1716 Spruce street, repair porch, \$125.
- Daniel Boone, 2731 Marshall avenue, aluminum siding and roof, \$1000; Neale Niemy, 2438 Lincoln avenue, repair garage, \$500; James K. Abrams, 2409 St. Clair avenue, one-room addition, \$1900; and Mrs. Clara Nemeth, 2837 Washington avenue, install siding, \$727.
- Permits also were issued to Granite City Steel Co. to raise a four-room house at 2306 East 20th street, \$500; and to Robert Garin, 174 W. Walnut street, to raise a garage, \$50.

Registration Dates

For GC Park Program

Registration for the Granite City park district's annual summer recreation program will take place from 9 to 11:30 a.m. Monday and Tuesday, at nine centers in the community. Harold Brown, park superintendent, reminded local residents today.

The 1966 eight-week series of activities gets under way at 9 a.m. Wednesday.

Those wishing to participate must register at the center nearest their home, the park official said. Centers will be located at Logan, Marshall, McKinley, Niedringhaus, Nankin, Webster and Wilson grade schools, the park district community center, 822 Niedringhaus avenue, and Salvation Army center, 1421 Nineteenth street.

Auto Found Partly

Submerged in Lake

A blue and white 1958 auto was found partly submerged in Horseshoe Lake shortly before 11 p.m. Wednesday by Mr. and Mrs. Joseph Robinson of Bend road, who notified a special deputy sheriff.

The car was undamaged, and only the wheels and front end were in the water. When it was found, the engine was still running and the lights were on, but there was no key in the ignition. The vehicle was removed by a tow truck, and efforts are being made to determine its owner.

they spent a few days visiting their son-in-law and family, Mr. and Mrs. Bill Weigand.

GC Teachers Federation Elects, Honors Retirees

More than 200 members of Granite City Teachers' Federation Local 743 met for their annual session of the current school year at 4 p.m. yesterday.

The session of the local school system were honored with the presentation of gift certificates. Five present at the meeting were Mrs. Verna Willtrout, Nameoki school; Miss Pauletta Crist, Marshall school; Miss Genevra Wallis, Washington school; Mrs. Bess Coolidge and Mrs. Helen Krummsiek, Coolidge junior high school; and Alfred Krummsiek, senior high school.

Unable to attend due to conflicting duties were Miss Myrtle Draper and Mrs. Estella McGowan of Webster school, and Mrs. Geraldine Hayes of Mitchell school. For the third consecutive year, John F. Kelahan, whose parents reside at 1701 Mitchell avenue, was the recipient of the Granite City Federation's \$400 annual scholarship grant.

The youth, a graduate of the local high school, will begin his junior year in September at Southern Illinois University-Southwestern Campus. An education major, Kelahan is interested in furthering his career after college in the fields of guidance and counseling.

MORE ABOUT

Port District

that the Trail Riders and Saddle Club which several months ago was granted permission by the levee board to use the area of land east of the levee near Rock road will not be moved, at least in the immediate future.

No Private Use

One stipulation of the agreement will provide that the land cannot be used for private purposes, and that in event it ever is abandoned title will revert to the levee district. If a sale of any part of the land is made possibly to accommodate an industrial installation or for other purposes, proceeds of the sale would go to the levee district.

Barron explained that among principal reasons for acquisition of the property is to permit installation of certain facilities, particularly utilities, over or through the levee to the Port area along the canal without

necessity of negotiating easements or obtaining right-of-way for each installation that may be necessary.

The levee board accepted a report of its treasurer, Thomas Staicoff, listing a levee district balance of \$16,241 as of yesterday, after payment of May expenditures totaling \$190,479. Receipts during May amounted to \$206,721, including \$30,000 from the sale of anticipation warrants to the Bank of Cahokia.

Expenditures for the month included payment of \$101,115 to the Koeley Brothers Construction Co. of East St. Louis for labor and materials used in construction of the Lansdowne sewage treatment plant, a payment that was authorized in Wednesday's meeting.

The board also authorized payment of claims in the amount of \$4068 to the Horner & Shiffrin engineering firm for services on the treatment plant project, and another \$658 to the Collinsville Construction Co. for labor and materials on the same job.

Another claim in the amount of \$2000 to Koeley Brothers Construction Co. for labor and materials on the Cahokia sewage

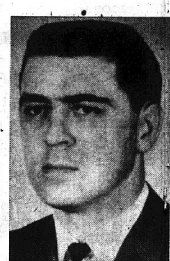

Boyd Presley New President Of GC Jaycees

Boyd Presley, a Granite City post office employee, who resides at 2441 St. Clair avenue, was named president of the Granite City Jaycees last night. Forty-two members attended the annual election meeting, held in the 300 Room of the Tri Mor Bowl.

Elected to serve with Presley for the coming year, are Herbert S. J. e. r. i., first vice-president; James Jeffries, second vice-president; David Walker, secretary; F. Earl Warnhoff, treasurer; Dr. Larry Tadlock, sergeant-at-arms; and Floyd Peterson, state director.

James Burton, the retiring president, was named chairman

of the board of directors. Other new directors include Earl Ditzner, Gerald McGovern, Dr. J. L. Strotheide, Paul Morris, Victor Wetherholt, William Herbst and Michael Day.

Man Stabbed in Chest; Police Investigating

Eather Tidwell, 2548 Circle drive, was admitted to St. Elizabeth Hospital early Wednesday with stab wounds to the chest. He was listed in fair condition.

Police said he had appeared at the nearby Hunt residence, 2532 Circle drive, before 5 a.m. and was bleeding severely from a 1 1/2-inch wound. He also had an abrasion on his forehead above his right eye.

Upon inspecting his home, police found a pool of blood on a bedroom floor and blood on the kitchen floor, in a doorway between two rooms and on a refrigerator. Mrs. Tidwell told police she did not know how the mishap occurred.

They include a junior tennis tournament, June 12; a dinner meeting, June 15; annual homecoming celebration, June 17, 18 and 19; and the Miss Granite City Pageant, set for June 25.

Miniature Mules In Madison 75th Jubilee Parade

Polly, Molly, Dolly and Cholly are going to be in the mammoth Madison diamond jubilee parade July 2.

But there is nothing mammoth about the four of them. They form the world's smallest four-mule hitch.

The widely known "little watch charms" which pull a driver and wagon are genuine mules, but might as well be, says Parade Chairman Harry R. Johnson reports. Their father is a Sicilian donkey and their mothers are midget Shetland mares.

The mules weigh about 245 pounds each. Two are 29 inches tall and the other two are 31 inches. Owned by the Thomczek Oil Co., Alton, they have been shown at county fairs, carnivals, parades and rodeos throughout the midwest, and have appeared before more than a million people.

One of them, while exhibited at a Denver stock show, was declared the smallest mule in the world.

Numerous animal units, floats, bands and marching groups are scheduled to participate in the parade marking Madison's 75th anniversary.

Trades Council Will Co-Sponsor Douglas Talks

The Tri-City Trades & Labor Council voted last night to co-sponsor talks here on June 30 by U. S. Senator Paul Douglas (D), candidate for re-election.

Edwin Reiske, president of the trades council, said times and conditions will be discussed. Reiske announced the 60 union delegates will nominate council officers at the June 15 meeting.

GOP Caravan will Visit Local Area on Wednesday

Charles Percy, Republican candidate for U. S. Senator, and Harris Rowe, state treasurer candidate, and Ray Page, candidate for re-election as state superintendent of public instruction, are to visit Granite City Wednesday in a caravan of local GOP spokesmen.

A county GOP spokesman said Percy may leave the caravan on Wednesday to take part in a family graduation party, but his final plans will not be known until next week.

The candidates are to arrive here from Alton for a 4:30 to 5:30 p.m. appearance with county GOP candidates at Bellemeade Village shopping center, and will go to the local YMCA at 6 p.m. for an informal meet-the-public session from 7 to 8:30 p.m.

They then will proceed to East St. Louis.

Alton State Hospital Medicare Bid Supported

Dr. Harold H. Nelson, consulting psychiatrist of the U. S. Department of Public Health, has announced his "enthusiastic support" of a bid by Alton State Hospital for certification under the Medicare program.

Dr. Nelson, a member of the department's committee on licensing and standards in psychiatric hospitals, said Alton State Hospital, where approximately 600 patients are expected to receive Medicare coverage, said the hospital easily qualified under the standards set down by the government.

He pointed out that final decision rests with the department.

Review Board Starts Work on 1966 Assessments

The Madison county board of review met yesterday in an organization session at Edwards to begin its equalization work on property assessments for the 1966 tax year.

Present were Chairman Harold Landolt of Alhambra, Republican member of the board, and Frank Rissi of Collinsville. Absent was John W. Lauer of Alton, who is convalescing after eye surgery.

A clerk for the board has yet to be named. Former Alton mayor, Lee J. Strick, veteran clerk of the board, was killed in a traffic crash last year.

The board presently is taking up corrections on property assessments pending since adjournment in January.

Local WU Office Not in Walkout

Local employees of Western Union were not asked to join the large-scale walkout yesterday which temporarily halted telegram and indigram service in several major cities, including St. Louis. William Savage, manager of the Granite City office, said today he understands that officials of the Commercial Telegraphers Union, AFL-CIO, called the four-hour strike only at selected offices throughout the nation.

Contract negotiations between Western Union and its representatives became stalemated yesterday in Washington, D. C., when an agreement could not be reached. The union is seeking a 15% wage increase over a two-year period, along with increased hospitalization, pension and vacation benefits and a job security plan. Western Union is offering a three-year contract with wage increases of 3.2% during each of the first two years and 3.7% during the final year.

Approximately 300 Western Union employees in the St. Louis area left their jobs at 11 a.m. yesterday and returned at 2:30 p.m.

Park Board, Citizens To Meet on Rink Cost

Granite City park district commissioners will meet at 6 o'clock this evening with the ice rink recreation center architects before going into conference at 7 o'clock with citizens' committee to review progress in reduction of the construction cost total. The meeting will be at the Wilson Park office.

The low bid of \$330,000 was submitted by Henry Rose Construction Co. of Granite City. The bond issue, approved by voters last summer and already sold to Mercantile Trust Co., St. Louis, at 3% 4% interest, was in the amount of \$475,000.

Four Hubcaps Stolen

William Riemmer, 2200 St. Clair avenue, reported that four hubcaps were stolen off his home on Monday or Tuesday night of last week.

GC Couple to Graduate at Same Time, Same College

Two Granite City students who went together through high school and four years of college and were married last Jan. 30 will graduate together in commencement exercises at Illinois Wesleyan University at Bloomington Sunday. Both will graduate from the College of Liberal Arts and both will receive Bachelor of Science degrees.

They are Charles Henry Johnson, grandson of Mrs. Henry Flaxbeard, 2652 East 28th street, and his wife Jean Alice Johnson, daughter of Mr. and Mrs. Elmo Hinson of 1538 Cottage avenue. They will return to Granite City to make their home upon graduation and already have plans for entering the business world.

Mr. Johnson will enter an underwriters' training program with Aetna Insurance Co. in St. Louis, and Mrs. Johnson will begin management training with a commercial division of Southwestern Bell Telephone Co. in the St. Louis offices.

The couple met in their early years of high school. Both were in the same grades and graduated together from Granite City high school. At the beginning of their college work, Charles entered Southern Illinois University at the Alton campus while Jean Alice enrolled at Wesleyan. After a year and a half at SIU, Charles transferred to Wesleyan and both have been there since.

Commencement exercises are scheduled at 5:30 p.m. on the Bloomington campus.

R. Sargent Shriver, director of President Johnson's war on poverty will present the commencement address in which he will outline the role of students in helping America win the war on poverty. Shriver also was the first director of the late President Kennedy's Peace Corps.

Numerous Roses Add to Venice Paint-Up Effect

Venice residents today reported a striking visual effect along Broadway as motorists descend the Broadway viaduct.

Many of the families in the 700 block have planted roses in their front yards. Hundreds are now in bloom, adding bright patches of red, pink and yellow to the many colors used by the 1966 East St. Louis Fix Up Committee to decorate the street, curb and utility poles.

U. S. Seeks Use of Research at SIU-SW

Warren Joseph, professor of music education at the Southern Illinois University - Southwest Campus, has received a request from the U.S. Office of Education to include his research in the area of adolescent vocal growth among materials for the new educational research information centers throughout the country.

The office identified his research as "one of the works determined to be of great value in the field of music education."

Prof. Zanger to Lecture At Brazilian University

Jules Zanger, an associate professor in the humanities division at the Southern Illinois University-Southwestern Campus, left Wednesday for Sao Paulo, Brazil, where he will be a Fulbright lecturer in American literature and civilization at South America's largest university.

Zanger's assignment as senior lecturer at the University of Sao Paulo will begin Aug. 1 and continue for a year. He will return to the SIU-SW campus in September 1967.

Driver is Injured

Robert E. Bennett, 45, of 2330 Edison avenue, was injured when the right front of his auto was struck by another driven by Gary S. Fahrner, Belleville, at 11:15 p.m. Tuesday at 17th and State streets. Fahrner was charged with failure to yield right-of-way with a control present. He was summoned for a hearing by June 14.

Bennett was treated for a cut to his upper lip which was sutured. He also complained of chest pains. X-rays were taken.

FREE TOUR LITERATURE AT HOLIDAY SERVICE

Funeral arrangements are given in today's obituary column.

MORE ABOUT Teachers

Contrary to the laws of the state of Illinois, Union building representatives are to confer at least once a month with principals on curriculum, school activities and procedures, school policies, working conditions and questions on implementation of the working agreement.

Personnel assigned more than five classes are to be paid \$233 for each semester for a half-hour class or \$466 for an hour class.

Wording is included on the placement of vocational shop teachers and nurses on the salary schedule. Identification cards are to be issued to certificated personnel as passes to school-sponsored activities.

Those beginning work during a school year are to be paid for their work as it relates to the total days of employment in the school year, including in-service days and paid holidays.

Extra Pay Specified

Homebound teachers not regularly employed will be paid \$8.18 an hour. Regular homebound teachers will receive \$5.18 hourly for each pupil over "the normal load of five pupils." An article intended to "discourage taking a teacher's preparation period for use as a substitute" lists extra compensation of \$5.18 for 31 to 60 minutes, \$2.59 for 10 to 30 minutes and nothing for up to ten minutes.

Helpers at athletic events will be paid \$3.75 to \$15 a night for various types of non-city and varsity games. As soon as possible, scheduling of pupils left to be centralized and performed by persons other than teachers.

Teacher attendance at meetings, in-service training or other special events in off-school hours is to be voluntary except for two meetings a year. Sick leave is to be 10 days a year for the first three years and 15 days a year for the next three to a total of 75.

Compensation for accumulated earned absences of those retiring is to be raised from 25% to 50% for those employed 15 consecutive years.

Also listed are reimbursement for attending college courses, tax-sheltered annuity program, \$3.18 hourly extra for whoever acts as assistant principal when the principal is away from a school, free annual influenza shots and a complete extracurricular pay schedule.

Airman Frank Sellers At New Mexico Base

Airman Third Class Frank G. Sellers, son of Mr. and Mrs. Robert N. Sellers of 1406 Edwardsville road, is being assigned to Holloman AFB, N. Mex., for duty with the Air Defense Command.

Sellers, a graduate of Granite City high school, attended Southern Illinois University-Southwestern Campus, East St. Louis, Central. He has been graduated from the Air Force aircraft mechanics training course at Sheppard AFB, Tex.

Pvt. Michael Brimm Assigned in Germany

Army Pvt. Michael R. Brimm, whose wife, Roxie, lives in the 2400 block of Missouri avenue, was assigned as a mechanic in Battery A, 6th Missile Battalion of the 6th Artillery near Grafenwehr, May 8.

Brimm, son of Mr. and Mrs. James W. Brimm, 2212 Ohio avenue, entered the Army in November 1963 and completed basic training at Fort Leonard Wood, Mo. The 20-year-old soldier attended Granite City high school.

Pvt. Holtgrave Assigned To Intelligence Unit

Army Pvt. David H. Holtgrave, son of Mrs. Rose Mary Holtgrave, 2429 Washington avenue, has been assigned to the 242nd Military Intelligence Detachment at Fort Hood, Tex.

Holtgrave, a clerk-typist, entered the Army last January. A 1961 graduate of Granite City high school, the 22-year-old soldier attended Southern Illinois University-Southwestern Campus.

Granite City Marine Now Lance Corporal

Kurt E. Isbrecht, son of Mr. and Mrs. Edward Isbrecht, 415 Highway 162, has been promoted to the rank of lance corporal.

Isbrecht, serving with the Marines in Guam, received the promotion for time in service and rank, military appearance and knowledge of selected military subjects.

YOUTH FOCUS

705 Students to be Graduated Friday Evening at GCHS

A class of 705 students will be graduated at commencement exercises at Granite City high school at 8 p.m., Friday in the Memorial Gym. The class is slightly smaller than the 728-senior graduating class in June 1965.

Principal talks will be delivered by Diane Sue Kinney, valedictorian, on "Here Beginnings," and Mary Ann Abramovich, salutatorian, on "Here Endings."

The exercises will open with the processional and Star Spangled Banner. Rev. Arvid Twitemeyer, pastor of Concordia Lutheran Church, will offer the invocation and benediction.

Lawrence McCauley, principal, will present a resume of the class. The senior ensemble will sing Irving Berlin's "Give Me

Your Tired, Your Poor." Randall Chandler will present a cornet solo, "The Magic Trumpet."

McCauley will present the class to Russell D. Johnson, superintendent, who in turn will present it to L. Monroe Worthen, president of the board of education, for awarding of diplomas.

Leo Nighonossian, class president, will offer "We Light Our Candles" and Stanley Hoffman will present "Alma Mater" before the closing recessional.

Class sponsors are Richard Bundy, Miss Wanda Carroll, William Eaton, Kenneth Griggs, Miss Karen Jungewelter, Albert

KAREN ANN FARLEY

To Train at Hospital

Karen Ann Farley, daughter of Mrs. William T. Wells, 2102 Bryan avenue, is advancing to hospital corps training after completing ten weeks of basic training at Recruit Training Command (Women) at the United States Naval Training Center, Bainbridge, Md. She was graduated during a military review held at the center.
Miss Farley, a former student at Granite City senior high school, will spend a 14-day leave with her mother before reporting to U. S. Naval Training Center at Great Lakes for further training in the Hospital Corps school. She enlisted in the WAVES for three years last March. She received training in Naval orientation, Naval history, citizenship, aircraft and armament, Navy jobs and training, self improvement, first aid, physical training and military bearing and drill.

Miss Postor Graduating

Miss Beverly Ruth Postor, daughter of Mr. and Mrs. Joseph Postor, 1342 Twenty-seventh street, will be among graduates of Washington University, who will receive diplomas Sunday during the 10th commencement exercises to be held in the Quadrangle at the university.

Home Ec at SIU Has 25 Men Enrolled

Time was when the home economics classroom or laboratory was for girls only, and they were taught to sew a fine seam and to bake a cherry pie.
But times have changed, and so has home economics. Today there are scores of well-paid professional jobs for the trained home economist, and today also men are enrolling in schools of home economics.
It was only six years ago that Southern Illinois University's School of Home Economics at Carbondale accepted its first male student as a home economics major. This spring there are 25 of them who are specializing in such diverse areas as interior design, merchandising, dietetics and institutional management. Among them is Robert James Kary, 2363 Iowa street. Many other professional home

economics opportunities are open to men, according to Eileen E. Quigley, dean of the School of Home Economics.
She listed such fields as fashion design, fabric or furnishings design, nutrition research, food service supervision for hospitals and restaurants, research for food manufacturers and profes-

sors, household equipment design, equipment demonstration and sales, family relations and child development counseling.
Southern Illinois University sponsors an annual High School Speech Festival for nearly 500 high school students.

GC to be Represented At Police Training

The Granite City police department will send one officer—possibly two—to attend one of two basic police training courses to be held by the University of Illinois this summer. Instead of a single five-week course as held in the past, the university has scheduled identical four-week courses June 13 to July 9 and from July 11 to Aug. 6, both on the Urbana campus.

Police Chief Raymond Willard said the Granite City department has sent officers to past training courses and will do so again this year. Selections have not been made. He said at least one man full attend and possible a second also will be sent.

Director Ervin H. Warren of the U. of I. Police Training Institute, said-up to 60 officers can be selected for each of the two sessions. The University of Illinois Police Training Institute is one of two agencies approved by the new Local Governmental Law Enforcement Officers Training Board to offer such training.

Police Chiefs Emmett Piazia of Madison and Frank DeWitt of Venice said they do not intend to send officers to the school this year. Piazia said the Madison department has participated in the courses in prior years.

Under the 1965 law, local governments who send recruit officers to an approved school for four weeks will be repaid either half the cost or \$500, whichever is smaller. The cost includes registration fees, salaries, travel and other justifiable expenses.

Promotion is Given John Grobowski

John A. Grobowski, son of Mr. and Mrs. John W. Grobowski, 2945 Washington avenue, is now an Army specialist four following a recent promotion.

Assigned as a supply specialist in Headquarters Company, U. S. Army Area Command near Munich, Germany, Grobowski's rank is equivalent to that of corporal.

A graduate of Granite City high school, Grobowski attended Eastern Illinois University, Charleston, before entering the Army in December 1964.

Kowalski Will Receive Masters Degree
Gerald Kowalski of Bridgeton, Mo., formerly of Venice, will be graduated Saturday from St. Louis University with a master's degree in electrical engineering. He is a graduate of the Venice high school and received his BS degree in electrical engineering from the University of Illinois in 1959.

A son of Mr. and Mrs. Alex Kowalski, 728 Brown street, Venice, he is married to the former Kathryn Robbs of Venice and is employed by McDonnell Aircraft Corp.

Dual Ceremony Sunday At Amvets 51 Home

Installation of Amvets Post 51 officers and new officials of Amvets Fifth Division will take place at dual ceremonies to be Amvets Post 51, 5100 Lakeview held at 12:30 p.m. Sunday at drive. A chicken dinner and various entertainment are planned as part of the day-long program.

Announcing the twin events today were Joseph Wickham, Post 51 first vice-commander, and Ben Sanders, 26th District commander and finance officer for the Fifth Division. The latter said an election of divisional officers also is scheduled for Sunday. He added that Charles Howard, Fifth Division commander, will attend the affair, accompanied by several state Amvets officials. Divisional headquarters for six counties are located at Mount Vernon, Ill.

Local Amvets members are being asked to report Saturday to the post home for all hands day. Wickham said, when preparations will be completed for the ceremonies. D. R. Wilkins reported that enlarging and improving parking facilities at the post will be finished prior to Sunday's meeting.

Credit Union Members Top 1 Million Mark

Credit union membership in Illinois topped the one-million mark late in 1965, according to figures compiled by the Illinois Credit Union League in preparation of its 1966 yearbook, which will be released on July 1.

Nine more credit unions went over the \$1 million level in assets during 1965, making a total of 97 such institutions, the figures showed.

Further evidence of the stability of credit unions is reflected in the statistic that total reserves last year increased a sizeable 27.5% over 1964—up from \$34.7 million to \$47.6 million as of Dec. 31, according to William H. Brietzke, Illinois Credit Union League managing director.

Assets and shareholdings also grew during 1965. Assets moved up from \$381 million to \$621 million, and shareholdings from \$521 million to \$558 million.

Only three days remain for Granite City auto owners to get their \$3 city wheel tax for 1966-67 before the police crackdown begins. City Clerk Pendleton said the sales are nearing the 10,000 mark and are only slightly behind last year. In the 1965-66 fiscal year, 12,700 city auto stickers were sold. Police Chief Willard said the annual drive on delinquent motorists will begin next Wednesday, and auto owners without stickers will be required to pay a fine in addition to buying the \$3 windshield sticker. The clerk's office is not open on Saturdays.

THOMAS DELALOYE

BILL COX

12, 13-Year Perfect Attendance Records

Among the 795 seniors to be graduated tomorrow evening at Granite City high school are at least two with perfect attendance records.

Thomas Delaloye, son of Mr. and Mrs. Herman Delaloye, 2683 Washington avenue, has maintained a perfect attendance record with no times tardy for 13 years — including kindergarten; and Bill Cox, son of Mr. and Mrs. Carl Cox, 2804 West 20th street, has a 12-year perfect attendance record.

Thomas attended kindergarten and elementary classes at Webster school and also was a student at Central and Coolidge junior highs before entering senior high.

Bill was a pupil at Logan elementary school and Prather junior high before going to the senior high.

School authorities confirmed the graduates' records, and noted there may be others with such attendance, since complete records are not maintained at the high school office.

SERIOUS SHORTAGE OF HOSPITAL AREA PARKING

To the Editor:

This is something I think is terrible—having parking meters around close to the hospital. When you have someone ill in the hospital and make trips back and forth, you sometimes get so befuddled that you sit in the room and can't even remember what time you filled the meter.

The places where there are meters are always filled. Or they are so far away that by the time you get to the hospital, you're ready to take the patient's bed.

I drove around and around for several minutes. More than once I found an open parking meter. The fountain park may be pretty and all that, but I think it would have been better to have a parking lot, in consideration for the people in the hospital. It would have helped some.

I'm sure others feel the same way I do.

Accelerator Recipe—'Chill Well'

(American Institute of Physics)

A mid-sized model of a new kind of electron accelerator has been tested successfully at Stanford University.

The device, just four inches long, runs at temperatures within two degrees of absolute zero (-459 degrees F), and electrons seem to like it the way.

The basic part of the accelerator is a straight copper tube. It is within such tubes, generally hundreds or even thousands of feet long, that electrons are sped up until they have enough energy to do something interesting to a target, say an atomic nucleus.

From the collision or scattering that results, physicists are able to study the tiny regions of matter that cannot otherwise be "seen."

OPPOSES CANDIDATES BACKED BY MACHINE

To the Editor:

The arrogance of power which has afflicted our county politics can weaken and destroy not only our county and state but our nation as well.

Power tends to confuse itself with virtue, conferring upon a chosen few dictatorial attitudes that exert pressure tactics and other means to remake everything over into their own image.

The people of Madison county have submitted to this arrogance for over thirty years. In so doing, we are not living up to our capacity for sound judgment or to the promise of a better tomorrow.

In a democracy, dissent is an act of faith — faith in our country and in ourselves as free Americans.

The time is upon us to voice our dissent at the polls in the June 14 primary election. In this world today, there is no room for complacency.

Voter apathy has helped to cause the conditions under which we live. We have sat at home on election day and allowed those few payrollers to decide elections for us.

Let us enjoy our freedom and take full advantage of it by making a little extra effort on election day. Cast a vote against the machine. We have sat at home on election day and allowed those few payrollers to decide elections for us.

A vote against any machine-backed candidate will be in the direction of a better world for us all.

Rapid Growth in Size, Scope, Cost of Granite City School Program

Statistics can confuse, but a few are necessary to give a picture of the growing scope and responsibility of the Granite City community unit school system, the Quad-Cities' largest taxing body.

With a record \$10,429, 785 budget which includes \$2,350,000 for construction, School District No. Nine currently levies \$4,468,908 in real estate and personal property taxes against an assessed valuation of \$191,852,589.

Its \$2,448 tax rate represents slightly over 61¢ of the overall Granite City rate of \$4,008. With an enrollment of 13,500 occupying 20 buildings and two more under construction, the system has 812 employees, including 594 administrators, teachers and counselors. Because of new federal programs and continuing enrollment growth, there will be a substantially larger staff this fall.

The new agreement with teachers involves added expenses—including automatic raises and staff expansion—conservatively estimated at \$2,750,000 over the next three years. This and other programs, such as a medical-hospital insurance program to be started in October, plus pending agreements with other school employees, boost the \$2,750,000 figure to somewhere between \$3 and \$4 million.

Individual increases for teachers average \$50 a month in each of the next three years, three \$21-\$73 raises depending on experience and training. In 1968-69, the lowest paid degree teacher is to receive \$637 a month and the highest paid \$1,135 a month for a nine-and-a-quarter-month year (\$5900 and \$10,500).

Estimates indicate that virtually all of a 40-cent tax rate hike authorized by referendum in 1964 will have been utilized by 1969, increasing the present school year's 16¢ and the current overall rate by about 10 1/2%.

Schools unquestionably are "big business," with each voter a stockholder and each taxpayer an investor.

What accomplished in the Granite City district cannot, of course, be evaluated statistically. But the above figures provide insight into the size of the program that is being carried out in the face of developing each youngster at his maximum ability.

No Substitute for Steel In Highway Lane Dividers

Installation of steel dividers along a hazardous three-mile section of Lindbergh Boulevard in St. Louis has drawn attention to the strength and versatility of the principal metal produced in the Quad-Cities.

Experience on such heavily-traveled roads has shown that nothing can match the ability of steel to prevent head-on crashes on divided highways. Such tragedies can and do continue to occur where guard rails are absent, and where other materials are used for protection.

Federal Programs Cutting Income Through Both Taxes and Inflation

One of today's editorials refers to the growth of income tax collections. It says that the property that many people think of first when the word "taxation" comes to mind. Even larger are the federal taxes that are so "easy" to pay because we never see them in our take-home pay.

Every citizen, however, earner and pensioner would be wise to face up to the direct relationship between the expenditures and financial integrity of the federal government on the one hand, and his personal taxes and visible living costs on the other hand.

As the cost of living rises record highs, the reports customarily include "explanations," such as crop failures, vagaries of supply and demand, or other special conditions.

The nub of the matter is that the functioning of the free market has not cut the value of the dollar by more than half during the space of a generation. Depreciation in the value of money is directly traceable to governmental policies. And under present policies, such depreciation will occur at an accelerating rate.

Projections indicate that the cost of U. S. welfare programs will rise sevenfold from \$3.1 billion in 1965 to \$21.3 billion by 1970. By 1970, unless the mood of Congress undergoes a radical change, the largest welfare expenditure will be for the anti-poverty program, up from \$211 million in 1964 to \$2.4 billion.

Current plans call for an increase in aid to elementary and secondary education from the present \$295 million to \$3 billion by 1970. Similar increases are planned in a long list of other programs, including urban renewal and various health services. This kind of federal spending, piled on top of rising war costs, will mean either much higher taxation or steadily rising public debt and inflation.

Of which this has a direct effect on the cost of groceries and other necessities, since prices rise as the dollar declines in value. If an attempt is made to substitute price and wage controls for a free market, the disincentives and hardships will be greater in the long run.

There is no substitute for financial integrity in government, any more than there is for individual integrity. When this point is recognized by a majority of voters, sound policies will be changed but it will be too late to repair the financial damage to those of limited or fixed income.

Thoughts For a Summer Afternoon

June is bursting out all over, as the song says, and the new month will bring summer to the Quad-Cities at 3:33 p.m. June 21.

June also is noted as the month of the year in which the sun is at its farthest from Earth (June 19), but it is chiefly thought of in connection with summer and the yearly vacation period.

Regarding the outstanding weather of the past week and anticipating that of the weeks to come, most Quad-Cityans would agree with Edith Wharton that "summer afternoon—summer afternoon—these words have always been the two most beautiful words in the English language."

For most of us, June and summer bring days away from the usual routine of school or job.

There will be idle hours in which to enjoy the beauty of a "summer afternoon"—the warmth of the sun, the blueness of the sky, the buzzing of insects, the fragrance of flowers, the smell of freshly cut grass, the look of farm fields lush with grain, the joys of highway and waterway outings, the gathering of friends that gradually merge into the coolness and peace of evening.

The time will come when duty and care must once again occupy thoughts, when leisure pursuits must be put aside in favor of more demanding tasks. But these can be forgotten on many a summer afternoon—the kind of day when time seems to stand still and when an afternoon, though fleeting, somehow seems miraculously unending and satisfying and sufficient.

64-Letter Words for Spelling Bee?

(Natick, Mass., Suburban Free Press and Recorder)

One of the hazards of going in a spelling bee these days is the fact any good speller, if he stopped to give the matter a little thought, might find it difficult to come up with a word that would not be in the Webster's Dictionary, and all have more letters, like Thomas Love Peacock, who coined the word "omphaloskepticism" to describe the human condition.

There are 45 letters in pneumonoultramicroscopicsilicovolcanoblastic. Some other long words seem to just come naturally.

Looking especially through a tony, which has a mere 29 letters in it, we came across some stuff called "tetrachloroantimonopentachloride"—27 letters—which wasn't in the Webster's Dictionary. The English language must be long, as far as we know.

But with only 26 letters, it hardly rates today, and as a sticker in a spelling bee, it isn't a patch on the other two.

Even so, Oxford's flocciprocumhilification (the act of estimating words) could give aid for a start, especially for a word that wasn't even in the Webster's Dictionary.

Local Artist Gives Painting To Hospital Children's Ward

Charles Blaylock, a local commercial artist whose talents and ambition lean toward free lance work, has presented one of his most popular paintings, "A Clown's Head," to the pediatric ward at St. Elizabeth Hospital. He lives at 5036 Lakeview drive.

The artist said that he and his wife, Donna, decided to present the gift in gratitude for the care and attention given their 15-month-old son, Greg, who was a patient at the local hospital about one month ago. The infant, ill with pneumonia, was confined in the pediatric ward for five days. The couple, also parents of another child, Denise, six years, moved to the Pontoon Beach area about eight years ago. Blaylock's mother also resides on Lakeview drive.

Blaylock said he officially began his painting career in 1956 when his mother suggested that he take a correspondence course in art. He studied four or five hours each evening for more than five years, meanwhile working during the day as a secretary for Wabash Railroad, his employer for ten years.

Since January, he has been a staff artist with Universal Match Co., St. Louis, where he uses his talents to create the finished work and hand lettering on match book covers. Blaylock said that through reading books on techniques of famous painters, he elected to gain a more formal art education at O'Fallon technical high school, St. Louis, and later at Washington University. He said he continued to study until he believed

OUTING AT YMCA CAMP Trout Lodge on Sunn Lake near Potosi, Mo., was enjoyed by 28 members of the Granite City high school Leaders Club. The group spent three days there. Shown above (left to right) are the current club officers as they posed

after leaving the newly-constructed dining hall—Vice-President Diana Tadlock, President-elect Judy Winfield, President Cindy Teaney, Secretary Linda Kozar and Treasurer Kathy Aubrey. Trout Lodge is also available to families during the summer months.

No-Tuition 7-Week Summer School Opens Monday in GC

Registration for summer classes at Granite City high school will take place at 9 a.m. Monday, June 6, in the GCIS auditorium. For those 16-21 interested in taking driver training—and who already have taken the classroom phase of the instruction—the registration hour on Monday will be 1 p.m. in the auditorium. Enrollment is in progress for the summer junior high center, Coolidge, and for summer classes to be held at six grade schools, Washington, Emerson, Frohardt, Marshall, Lake and Mitchell.

Advance registration has been at the elementary or junior high school attended. As of Monday, this registration will shift to the seven summer instruction centers. The summer term will last from June 6 to July 22. Book rental and supplies will cost a total of \$2.50 for grade school pupils and \$3 for older students.

United Fund Plans Poster Contest for HS Students

The Tri-Cities Area United Fund will hold a poster contest in connection with its annual campaign in the fall.

The contest is open to students to be enrolled this fall at Granite City, Madison and Venice senior high schools, and contestants may submit only one entry. Posters must promote the United Fund theme.

Entries should be 22x28 inches on poster board. Standouts or built-up areas on the surface of the poster may not exceed two inches.

There is no restriction on choice of materials, but if chalk, charcoal or pastels are used, a fixative (hair spray) should be applied to prevent smudging.

Judging will be based primarily on originality and appeal to the public to support the United Fund, and secondly on artistic merit.

First prize will be a \$50 savings bond, second, a \$25 savings bond and third \$10 cash.

All entries must be delivered to the receptionist, Granite City Steel Co. general office building, 20th and State streets, by 5 p.m. Sept. 15. Winners will be announced at the fall United Fund kickoff meeting.

All entries will become the property of the United Fund. Most will be used in windows of commercial establishments during the drive.

Judges will be Eugene Alassi, supervisor of art education, Foy, 1229 Klein street.

Arts, Crafts Classes Scheduled at YMCA

Two arts and crafts courses are to begin June 14 as part of the summer activities of the YMCA youth department. Mrs. Bonnie Fuller, instructor, announced.

One will be for elementary age youngsters up to 10 years and the other for junior high school students.

Either a full membership of \$11 or a single activity membership of \$4.50 is necessary to be registered, and each class will be limited to 18 students.

The grade school class will meet 5 to 6:30 p.m. Tuesdays and for teenagers from 3 to 4:30 p.m. Fridays. Students may register next week.

If registrations exceed the limits, other classes will be scheduled.

Mrs. Fuller said the classes have been structured under the direction of Mrs. Catherine Milovich, associate professor of art at the Southern Illinois University-Southwestern Campus.

The courses will emphasize the

#3, Fri. & Sat. — "SERGEANT DEADHEAD"

Series of Sermons

At Niedringhaus Methodist

Rev. R. Paul Sims, minister of Niedringhaus Memorial Methodist Church, will begin a series of sermons on the Ten Commandments Sunday morning. The topic for June 5 will be "The Sovereignty of God," a sermon dealing with the content of the First and Second Commandments.

The anthems for the worship services at 8:30 and 10:40 a.m. will be sung by the Youth and Chancel Choirs, directed by Warren G. Simpkins. There will be no evening worship service due to the opening of the Southern Illinois Conference of the Methodist Church in Mt. Vernon, a conference which will be in session throughout the week.

AIR FORCE commendation medal is awarded Airman 2nd class, Benjamin C. Ingram, Granite City, at Saigon, Vietnam, by Colonel Albert S. Pouliot, a group commander.

Yearly Methodist Conference Opens Sunday at Mt. Vernon

An expected 1000 ministers and the overall church plan for the laymen will be present Sunday afternoon at the First Methodist Church, Mt. Vernon, when the 115th annual session of the Methodist Southern Illinois Conference convenes. The convocation ends June 9.

Those planning to attend from the Quad-Cities include Rev. Paul Sims, pastor of Niedringhaus Memorial Methodist Church; Rev. Frank Pierce, Nameoki Methodist Church; Rev. Clair Clark, Trinity Methodist Church; Rev. Eugene Bessley, Madison Methodist Church; and Rev. Daniel Williams, Venice Methodist Church.

Most of the ministers will be accompanied by a member of his congregation who also will participate in the official business at the conference. The annual meeting is a combined business session and formal worship occasion, tracing back to the yearly gatherings ordered by John Wesley for Methodist Societies in England in the 18th century.

Registration will begin Sunday afternoon with the traditional Holy Communion service. Bishop Lance Webb of Springfield, Ill., will deliver an address Sunday evening based on the theme "The Real Presence." Emphasis of the 1966 conference will be "Holy Spirit and Church Renewal."

Pastor Assignments
Bishop Webb will be the presiding officer at the daily business meetings when boards and agencies report on the year's work and project plans for the future. Other discussions will be on annual budgets and appropriations, assignment of pastors and

Airman Ingram Wins Commendation Medal

Airman 2nd Class Benjamin C. Ingram, son of Mr. and Mrs. B. L. Ingram of Granite City, has been awarded the U. S. Air Force Commendation Medal in Southeast Asia for meritorious achievement as a personnel specialist. Ingram was cited for "outstanding skill, knowledge and job proficiency."

Ingram is assigned to a forward combat base in support of the Pacific Air Forces providing airpower for the U. S. and its allies in the Pacific, Far East and Southeast Asia. The award was presented in Saigon, Vietnam.

May Rainfall Below Normal; 5-Month Total is Inch Above

Although there were 12 rainy cool days during May, the 2.88 inches of rain recorded for the Quad-Cities did not reach the 5.23-inch normal figure for the month. However, with the May precipitation, the area's total for the five months is 13.90 inches in this year, stands at 14.75 inches, which is about one inch above normal for the five-month period. The 2.88 inches recorded for May at the gauge maintained by the U. S. Army Corps of Engineers at the Chain of Rocks canal locks is two inches below
